

* Symbols and Motif

Each piece carries a number of symbols and traditional motifs, which included some adorned by the lyrics of Fayrouz songs, to transfer each piece into fine art, in line with the spirit of her songs, such as handbag "The Earth is round" (El Ard Mdawwara).

The handbag was inspired by her song "Iza El Ard Mdawwara" (If the Earth is round) where it is designed in a round shape like the shape of the earth, which has no beginning and no end.
